FROM THE PRINCIPAL . . .

On Friday of last week our SMS teachers had our *Convocation* with the Bishop at St. Bruno's in Pinckneyville. The word "convocation" means to be "called together for a specific purpose." Bishop Godfrey and Sr. Johanna (our keynote presenter) reminded us that our primary mission in Catholic Schools is that we are *called together for the specific purpose to partner with parents to help our students to get to heaven*. One of the key ways to foster this mission is by joyfully and vibrantly living the faith ourselves as "witnesses" to the Gospel. We **Count it All Joy** to work together for this mission that Our Lord has given to us and ask for His grace to help each other to get to heaven!
