HAVE A WONDERFUL SUMMER BREAK!

FROM THE PRINCIPAL . . .

As we come to the last days of the school year and all the many events, activities, field trips, graduations, etc. I want to say how thankful and blessed we are for all of our PTO, teachers, staff, parents, friends and relatives who come together to make SMS a very special place. Our students are surrounded by so many people that care and take the time, money and effort to provide a special environment for them to learn and grow. Being a smaller school, its easy to think about some of the things we don't have that a larger school might, but there are so many amazing things that happen to make this community a great place for students and their families that can only be found in a school family like ours. On a daily basis, we see people pour so much of their hearts into St. Mary's. **THANK YOU** for being a part of this community and please continue to pray for God's blessings and graces upon SMS!
