WINNERS OF THE HAWK AWARD FOR THE MONTH OF OCTOBER
Congratulations to **Adilia Surman** (upper grades) and **Kase Miles** (lower grades) who were chosen to receive the **Respect Award** for October! The November theme is **Patience**.

FROM THE PRINCIPAL . . .

On this Election Day, we are reminded of the privilege and responsibility that we have to participate and contribute to the flourishing of society and to promote the common good. We might be tempted to neglect this responsibility and think that others will do the work for us, but we are all called to do our part in the "body politic." Also, as members of the Body of Christ, the baptized have a great responsibility of stewardship for the Church. By our participation at Sunday Mass, our daily prayers, the use of our gifts, and the service of others in love, we help the Church to fulfill her mission of making the Kingdom of God present and fruitful in our community. We **Count it All Joy** that God has called us to share life and love in the communities of our Church and our local area.
