Parents have three components of commitment to Catholic education.

1. Religious commitment by attending Mass and supporting the Church and its mission.
2. Service commitment by volunteering time and energy to assist the school at events and fundraisers.
3. Financial commitment in the form of tuition payments.

St. Mary's School appreciates the value our parents place on Catholic education. Your dedication, commitment, and support are truly appreciated. As a school we are dedicated to our vision, which is to continue to educate, inspire, and challenge our students to become life long learners and strong, faith-filled individuals. We strive to provide our students with the necessary knowledge and skills needed to be effective citizens and leaders in our future world. Our goal includes developing an environment where students, teachers, staff, parishioners, and school families work together toward the ultimate goal of knowing, loving, and serving God and others today and into the future.

THANK YOU FOR CHOOSING ST. MARY'S CATHOLIC SCHOOL!
