### FROM THE PRINCIPAL . . .

Lent is a good time to refocus on our spiritual lives and to respond to the **maximum** goodness and love of God as we move toward Easter. The Precepts of the Church, the **minimum** level of our response to God, serve as a compass in our spiritual lives as we seek the happiness of eternal life. God has blessed us, given us all we have, offered us forgiveness for our sins and everlasting joy in His maximum gift of Himself. Will we at least respond with the minimum?

### THE FIVE PRECEPTS OF THE CATHOLIC CHURCH

1. Attend Mass on Sundays and on holy days of obligation.
2. Confess your sins at least once a year.
3. Receive the Holy Eucharist at least during the Easter season.
4. Observe the days of fasting and abstinence.
5. Help to provide the needs of the Church.

### SAINT OF THE WEEK

#### Meet St. Josephine Bakhita

- My Feast Day: February 8
- I am the patron saint of victims of human trafficking and Sudan.
- I was born Olgossa in Sudan, but kidnapped at age 7 and sold into slavery and sent to Italy.
- While accompanying a child in my charge to religious education, I felt drawn to the Catholic Church.
- I was baptized and confirmed in 1890 and took the Christian name Josephine.
- When my owners tried to return to Sudan, I did not want to go. Since slavery was illegal in Italy, I was freed from my bondage and became a religious sister with the Canossian Sisters in 1893.
- I served my community very simply by cooking, sewing, and greeting people at the door.
- I was canonized by St. Pope John Paul II in 2000.
